**Society of Mechanical Engineers of Pakistan
(SMEP)**

3-Days Workshop on

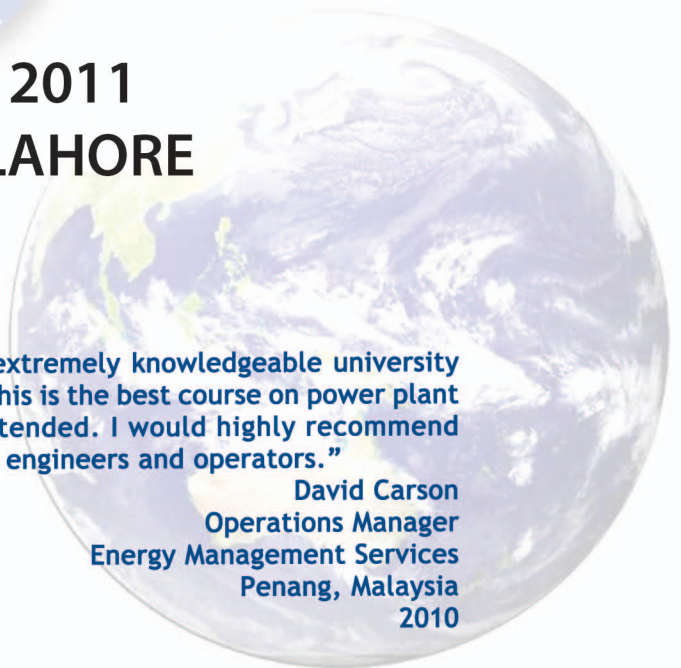

Steam and Combined Cycle Power Plant Heat Rate Improvement

**Oct 13th-15th, 2011
AVARI HOTEL, LAHORE**

COMMENT BY AN ATTENDEE OF THIS WORKSHOP:

“This was an excellent course, presented by two extremely knowledgeable university lecturers who related the theory to practice well. This is the best course on power plant performance and efficiency which I have ever attended. I would highly recommend attendance to power plant managers, performance engineers and operators.”

**David Carson
Operations Manager
Energy Management Services
Penang, Malaysia
2010**

Registration Form

Participant Information:

Name (in capital letters) _____

Cell Phone _____ Land Line _____

Fax _____ E-mail _____
